Fundraising Event

What Do We Do?

The Caring Place is Georgetown's own non-profit social service agency, serving families in financial crisis in Georgetown and rural Williamson County. Some of our services include: assistance with food, clothing, basic household items, rent and utility bill assistance, certain medical costs, prescriptions referrals, and educational programs.

Who Operates The Caring Place?

The Caring Place is governed by a Board of Directors, supported by a Membership Council comprised of 38 local churches, civic organizations and businesses and is staffed by 24 paid professionals, and 499 volunteers.

What Is the Purpose of Deep in the Heart of Caring? In addition to raising funds to support families in need, the annual event raises awareness of the services we provide. In 2016, we assisted 6,603 individuals with rent, utilities, medical expenses, transportation and food. The total value of resources we provided to our neighbors in need exceeded \$2,045,290.00! All this was possible because of the help of the community which supports our efforts through volunteering, donating and shopping.

Will you please help us help others?
