IN 24 HOURS FOR 750 LOCAL NONPROFITS, MARCH 5-6**

**I Live Here I Give Here Announces 8th Annual Community-wide Day of Giving
and \$1.3 Million in Matching Funds from St. David's Foundation**

AUSTIN, TX — January 21, 2020 — I Live Here I Give Here (ILHIGH) is proud to announce the eighth annual Amplify Austin Day, taking place from 6:00pm March 5 to 6:00pm March 6, 2020. Over the past seven years, Amplify Austin Day has raised more than \$57 million for Central Texas charities. Each year 750+ local nonprofit organizations participate in the 24-hour campaign. After exceeding its \$11 million goal in 2019, ILHIGH has set a 2020 fundraising goal of \$12 million. Early giving for Amplify Austin Day opens today.

Designed to increase generosity in Central Texas, Amplify Austin Day invites local residents, foundations, and businesses to give back to local nonprofits. The region's biggest day of online giving, it connects the community with hundreds of nonprofits across 7 counties over the course of 24 hours to raise funds critical to sustaining and growing a vibrant nonprofit sector. Participants can make a gift of any size to advance a cause that is important to them, using ILHIGH's AmplifyATX.org platform to search for organizations by keyword and/or category.

Today, ILHIGH also announced the renewal of its major partnership with St. David's Foundation. The Foundation will provide \$1 million in matching funds for more than 80 nonprofit grant partners participating in Amplify Austin Day to advance its mission to make Central Texas the healthiest community in the country. A champion of Amplify Austin Day since its inception in 2013, St. David's Foundation has now invested a total of \$8.1 Million in matching funds to support local nonprofits and inspire community members to give back local. During last year's \$11.2 million campaign, the Foundation's grant partners were responsible for raising over \$4.5 million.

"As this is my first year being part of Amplify Austin Day, I'm excited to see the magic of how our community comes together to support our local nonprofits firsthand," says Edward Burger, President and CEO of St. David's Foundation. "St. David's Foundation is delighted to be a key part of Amplify again this year, and we are looking forward to working with new grant partners who will be receiving our matching funds for the first time."

"We are so honored to have St. David's Foundation as a longstanding partner and look forward to working together in 2020 to achieve our biggest goal yet," says ILHIGH executive director Courtney Manuel. "St. David's Foundation's commitment to making our local community a better place for all is unmatched. Their leadership in establishing exceptional matching funds for numerous local nonprofits on Amplify Austin Day has contributed to the success of our region's giving day year after year and serves as a model for fostering community-wide support of the organizations that serve our most pressing needs."

Givers can plan ahead and make donations to their favorite nonprofits beginning today in seven Central Texas counties — Travis, Hays, Williamson, Burnet, Bastrop, Caldwell, and Blanco. Gifts will be applied to the organizations' Amplify Austin Day leaderboard totals on March 5 and 6. Those interested in giving can find nonprofits located in the counties where they live and search for causes they are passionate about at [AmplifyATX.org](https://www.amplifyatx.org).

Beyond region-wide collaboration and community participation, one of the keys to the giving day's success is the opportunity for participating nonprofits to receive matching funds and prizes sponsored by generous individuals, businesses, and foundations, including the major matching gift from St. David's Foundation. In addition to its \$1 million gift, St. David's Foundation will provide \$300,000 to the ILHIGH Amplify Fund, which rewards all participating nonprofits with matching incentive dollars. St. David's Foundation hopes to motivate other foundations and companies to support this community-wide effort by matching their contributions to the ILHIGH Amplify Fund (up to \$300K). Donors will have the opportunity to contribute to the ILHIGH Amplify Fund in support of all 750+ nonprofits in their check-out carts when they make an online donation at [AmplifyATX.org](https://www.amplifyatx.org).
